MARVIN by Tom Armstrong

DAY TODAY

BY PETER VIDAL

ARIES (Mar 21 - Apr 20) Your memories, even sub-conscious, are extraordinarily powerful influence on your behaviour...

LIBRA (Sep 24 - Oct 23) You may spend a great deal of effort trying to keep the peace, but at times like this you may be right to give up and accept the situation...

TAURUS (Apr 21 - May 21) There are two answers to a current question - 'yes or no'! The moment you consider either as possible option, you may relieve the emotional tension...

SCORPIO (Oct 24 - Nov 23) Your beliefs, thoughts and feelings seem to be coming together to love you extremely highly-motivated, and likely to get exactly what you want...

GEMINI (May 23 - June 21) A financial shock is a possibility, although there is no indication that it need be unpleasant. Indeed, if you are ready for some fancy footwork you can turn a likely deficit into a handsome profit...

SAGITTARIUS (Nov 24 - Dec 22) You must renege in terms with enforced changes. You should realise that you have steered yourself into a situation which now seems to be out of your control...

CANCER (June 22 - July 23) You must have all your wits about you. It is awfully tempting to imagine that you can get what you want merely by shouting louder than anyone else...

CAPRICORN (Dec 23 - Jan 20) You should watch out much for you to throw in the towel, all it is worth it seems. Blame you. However, if you are typical of your sign, you do the right thing and persevere...

LEO (July 24 - Aug 23) It's a sensitive day, perhaps too sensitive. Too many people are liable to take offence where none is intended, and you should therefore watch what you say...

AQUARIUS (Jan 21 - Feb 19) Domestic and family expenditure may add to your cares, but in general a bout of extravagance offers you a good means of escape. But you're through current uncertainty you'll see that the effort was worth it.

PISCES (Feb 20 - Mar 20) You should watch your financial situation very closely indeed. You will very soon receive a promising offer, but have to say you may forget the facts and look for the finer meaning of only to give yourself time to sort out what you want.

Virgo (Aug 24 - Sep 23) If you have any doubts or questions, listen to partners. Even though they may speak in riddles, there is a sort of sense in what they have to say. You may forget the facts and look for the finer meaning of only to give yourself time to sort out what you want.
