**Status of implementation of order of CGRF issued in favour of consumers
(During the Quarter-3 - 2023-24)**

Sr. No.	Case No.	Name of Applicant	Subject of the case in brief	CGRF Judgment Date	Order of CGRF in brief	Time Period given in order for implementation	Whether consumer approached the Ombudsman ? Yes / No	Status of CGRF order / implementation (Provide date of completion in case order is implemented)
1	13/2023	Trustee, Jamia Kanzul Uloom C/o. Imrankhan Pathan	Not giving new solar connection for want of old dues of s. no. 496812	25.10.2023	Complainant having Service No.339999 had applied for Solar application on 06.11.2019. The same got rejected due to power theft dues pending (approx Rs.36,36,317/-) of Service No. 496812 as the premise was found merged on site survey. Later, on receipt of complaint at CGRF on 14.09.2023, the same was heard by Forum & TPL was unable to produce any evidence as to what steps have been taken by the company to recover power theft dues or whether the Company had filed Civil Suit for recovery of such dues. Hence, Forum ordered that the request of the complainant for solar rooftop application must be approved by the company on receipt of fresh application of Solar rooftop in Service No. 339999.	-	No	-
2	15/2023	The Swaminarayan Park-2 Co. Op. Housing and Commercial Service Society (Block-D)	Meter Moving Fast	25.10.2023	Complainant, having electricity connection for common lighting purpose had a complaint regarding high consumption on 02.11.2022 on which the meter was found in permissible limit on site. On further request, the meter was box-sealed and a new meter was installed. Later, the same tested at company's NABL approved meter testing laboratory and found OK. Further, the complainant again raised complaint on 15.03.2023 for newly installed meter and the same was found in permissible limit and MRI was also shared with complainant. The Complainant after about 90 days requested TPL that he wanted to check the old replaced meter at third party meter testing laboratory. However, the same was denied by the Company saying it has been reset as complainant did not raise any doubt earlier. Forum on above observations and referring Supply Code-2015 regulations instructed TPL to avail the meter to the complainant after taking necessary decision of testing the disputed meter in one of the laboratories approved by GERC and inform the company.	-	Yes	-
