No.: GERC/Tariff/ **11 - 2164**

Date: 22.11.2024

Subject : Engagement of Consultant to provide assistance to GERC in the work of Preparation of Multi-Year Tariff Orders for the 4th Control Period.

In response to queries raised by the participants on the RfP document for providing assistance to GERC in the work of preparation of Tariff Order for FY 2025-26 dated 24.10.2024, the following amendments to the RfP document and clarifications are hereby issued.

a. The Clause No. i) of Srl. No. 4. Eligibility & Qualification Criteria to the RfP is amended as follows:

" i) Personnel of Consultancy Firm should be a Graduate, Post Graduate or Doctorate of relevant disciplines and additionally have MBA / CMA / CA / CS / Law qualifications related to tasks which are to be performed and shall be technically sound with practical knowledge in performing various assigned tasks. All the personnel proposed by the Consulting firm must be on the payroll of the Bidding Firm prior to the date of submission of the Bid.

The profile of key personnel is as under:

- A. *Project Director – at least 15 years of experience in power sector. (Preferably BE/ME & MBA / Ph.D.)*
- B. *Project Leader – at least 12 years of experience in power sector with qualification of BE/ME & MBA or Ph.D. or CA / CMA / CS.*
- C. *Regulatory Expert – at least 12 years of experience in power sector (Preferably BE/ME & MBA or Ph.D.)*
- D. *Financial & Accounting Expert – at least 12 years of experience, preferably in the power sector with qualification of CA / CMA / CS.*

The project executives having at least 5 years of experience in power sector shall support these experts. The successful bidder shall ensure that at least three (3) personnel shall continuously remain present at the Commission's office during the months from January to March 2025, in order to carry out the work related

to assistance to the Commission for MYT Petitions analysis and other aspects and if required, till Orders are issued on MYT petitions by the Commission.

However, the firm may strengthen its team with additional manpower as per requirement of the assignment. Any deployment of additional manpower should be made with the approval of the Commission. Such manpower must be on the payroll of the Bidding Firm prior to the date of submission of the Bid.

"

- b. The Clause No. (I) of the Srl. No. 4. Eligibility & Qualification Criteria to the RfP is amended as follows:

"I) The Bidding firm, its leadership and its personnel proposed to be deployed for the purposes of this assignment should not have been blacklisted / debarred for conducting studies or consultancy services by any Electricity Regulatory Commission in India/MoP/MNRE in past or present, nor there is any pending dispute in this regard. An undertaking in this regard shall be given by the consultant in the form V. Further, the consultant must demonstrate their ability to deliver the scope of work effectively, adhering to all relevant legal and professional standards and shall act in consonance with Govt. Policy / Rules / Regulations and shall not enter private communication with respect the assignment without prior consent of the Commission and maintain confidentiality"

- c. The Clause No. (2) and (5) of the Srl. No. 6. Evaluation of Bids to the RfP is amended as follows:

"2) Technical component will carry 70% weightage and financial evaluation will carry 30% weightage."

"5) The proposed prices and consolidated cost shall be read and recorded in the minutes of the opening of bids. The financial bid having least consolidated cost will be given a financial score of 100 and other bids will be given the financial scores that are inversely proportional to their prices. The total score shall be obtained as the weighted average of technical score (70%) and financial score (30%)."

- d. The Clause No. (3) of the Srl. No. 6. Evaluation of Bids to the RfP is amended as follows:

"Technical evaluation will be done, taking into account the criteria mentioned below by the Consultancy Evaluation Committee (CEC) to be nominated by the Commission. Each criterion shall be marked on a scale of 1 to 100 and then the mark for each criterion shall be weighted to calculate average technical scores. Weights in the following ranges will be used by the Committee appointed by the Commission to

calculate the weighted average technical score for each proposal:

e. The Srl. No. 10. Additional Terms and Conditions is amended as follows:

"The Commission intends to issue a separate Request for Proposals (RfPs) shortly for assignments related to providing assistance in the Regulatory Matters on a Retainer Basis very shortly. Therefore, the RfPs for 1) MYT Orders for FY 2025-26 and 2) Regulatory Matters on a Retainer Basis will be treated independently. In the event that a bidding firm is selected as a successful bidder for both assignments, the following conditions will apply:

- The successful bidder must confirm their willingness to undertake both assignments specified in the RfPs. They are required to provide separate and independent teams with the requisite educational qualification and experience for each assignment.*
- If the bidder chooses to undertake only one of the two assignments, the selection of the assignment is at the bidder's discretion. This decision must be communicated to the Commission in writing within **three working days** of notification of their successful bid."*

f. The Srl. No. 11. Last date of submission of RFP is amended as follows:

" The final bids complete in all respect are required to be submitted latest by, on or before 29.11.2024, up to 1800 hours IST. ..."

g. The N.B. under Form II is amended as follows:

"N.B.: Please also refer to the Technical Parameters (Criteria) outlined in the table under Clause 3, Serial No. 5 of the RfP when submitting the required details.. Attach a copy of certificate issued by the respective organization for whom the assignment was carried out."

h. The Form V is amended as follows:

"FORM V

*To,
The Secretary,
Gujarat Electricity Regulatory Commission,
6th Floor, GIFT ONE, Road 5C, Zone 5, GIFT City,
Dist.: Gandhinagar, Gujarat - 382050.*

Sir,

I have carefully gone through the Terms & Conditions contained in the Request for

Proposal document regarding the work of providing assistance to GERC in preparation of the MYT Orders for FY 2025-26. I hereby declare and undertake that neither the firm nor the leadership nor any personnel proposed to be deployed for the purposes of this assignment are blacklisted / debarred for conducting studies or consultancy services by any Electricity Regulatory Commission of India/MoP/MNRE in past or present nor there is any pending dispute in this regard. I am an authorized signatory of my firm and therefore competent to make this declaration.

(Authorized Signatory)

(Name & Title of Signatory)

Name and Address of the Firm"

- i. The Clause 13 Consultant's Personnel of the Agreement Draft is amended as follows:

"The party of the first part (Consultant) shall provide Description of personnel with names, position, qualifications and experience. The Consultants shall also make sure continuous availability of the project personnel deployed at the GERC office till completion of the consultancy assignment."

The Commission's response to the queries of the interested bidders is given in the Annexure to this letter. The interested bidders are advised to go through the clarifications given in the said Annexure. All other terms and conditions of the tender remain unchanged. The Technical Bids will be opened by the Consultancy Evaluation Committee, GERC on 30.11.2024 at 1100 hrs. in the Conference Hall at the Commission's office.

Sr. No	Clause No. and Existing Clause	Clarification requested/suggestions by PwC	Comments of GERC
1.	<p>3. Deliverables and duration of the Assignment:</p> <p>.. The Consultancy Firm shall extend the assistance till the finalization and issuance of the Tariff order by the Commission.</p>	<p>It is understood that the contract duration of the project shall be till 31st March 2025. However, there may be a possibility of extending the assignment completion due to unforeseen circumstances. The RFP has envisaged continuous deployment of the project executives at Commission's office, without any compensation for such extended period. In this regard it is humbly submitted that in the absence of a definite time period of resource deployment beyond a reasonable time, it would be difficult to assess the effort estimate. Therefore, we request to kindly add following in the RFP document:</p> <p>"In case the completion of the assignment gets extended beyond 31st March 2025 due to circumstances not attributable to the Consultants, the resources shall be allowed to support from the base location and travel to GERC only upon requirement basis." –</p> <p>Further, in case GERC may decide to continue the services of the Consultants, for completing any such pending works, after the end of the initial contract period i.e. by 31st March 2025, the same may be discussed and agreed with appropriate commercial considerations, under a separate / extended contract. This understanding may be confirmed.</p>	<p>The terms and conditions in the existing RFP document sufficiently address the requirements of the Commission; therefore, no changes are necessary.</p>
2.	<p>4. Eligibility & Qualification Criteria</p> <p>The Consultancy Firms intending to assist the Commission for the abovementioned tasks should fulfil the following eligibility criteria and shall provide satisfactory evidence towards the same:</p> <p>..</p> <p>b) Shall have a minimum average annual turnover for last three financial years (FY 2021-22 to FY 2023-24) not less than Rs. 3 (three) Crore and shall have a positive net worth as per the latest audited accounts for FY 2023-24.</p>	<p>Based on our experience of several similar assignments, we propose that the clause 4 (b) of the RFP shall be revised as follows:</p> <p>"Eligibility & Qualification Criteria the Consultancy Firms intending to assist the Commission for the abovementioned tasks should fulfil the following eligibility criteria and shall provide satisfactory evidence towards the same:</p> <p>... –</p> <p>b) Shall have a minimum average annual turnover for last three financial years (FY 2021-22 to FY 2023-24) not less than Rs. 10 (Ten) Crore and shall have a positive net worth as per the latest audited accounts for FY 2023-24."</p> <p>The Commission has adhered to similar criteria in past tenders, such as the one for preparing the GERC (Multi-Year Tariff) Regulations for the 4th Control Period. Moreover, the scope of work for this project includes assistance in drafting the MYT Tariff Orders, which set the framework for the next five years of the Control Period. This task is significantly more complex and critical than drafting annual tariff</p>

3.	4. Eligibility & Qualification Criteria	<p>orders. Hence, we request GER to consider firms with an average annual turnover of at least Rs. 10 (Ten) Crore for last three financial years.</p> <p>Based on our experience of several similar assignments, we understand that several tasks associated with the broad scope of work, as mentioned under the RFP, can be performed off-site and may not necessarily require continuous deployment of at least three resources at GER headquarter. We request GER to review this requirement, as the same shall also help the Consultant to optimize its commercial proposal, which may also be beneficial to GER. We suggest that GER may consider allowing the Consultant the flexibility of proposing the deployment format (on-site / off-site, number of persons etc.) and bind the selected consultant to such proposal, if selected.</p>	<p>Appropriate changes have been made to the RFP document.</p>
4.	4.(I) Eligibility & Qualification Criteria	<p>The project executives having at least 5 years of experience in power sector shall support these experts. The successful bidder shall ensure that at least three (3) personnel shall continuously remain present at the Commission's office during the work related to assistance to the Commission for MYT Petitions analysis and other aspects till Orders are issued on MYT petitions by the Commission.</p>	<p>However, should GER consider it necessary for the on-site presence of the consultants, they should consider deployment of at least two (02) project executives having at least 3 years of relevant experience and one (01) project executive having at least 5 years of relevant experience in power sector. The consultant may also be provided station leave, based on the completion of the agreed on-site work and after approval of concerned authority of GER.</p>
			<p>The suggestion is accepted. Suitable modifications are made to the RFP.</p>

	assignment without prior consent of the Commission and maintain confidentiality.	<p>Further, Form V shall also be revised accordingly as follows:</p> <p>"I have carefully gone through the Terms & Conditions contained in the Request for Proposal document regarding, providing assistance to GERC in the Tariff Orders for FY 2024-25. I hereby declare and undertake that neither the firm nor any personnel deployed for the purposes of this assignment are blacklisted/ debarred for conducting studies or consultancy services by any Electricity Regulatory Commission of India/MoP/MNRE. I further certify that I am an authorized signatory of my firm and therefore competent to make this declaration."</p> <p>We would also like to submit that any pending disputes do not hinder our ability to deliver the scope of work under this RfP.</p>	<p>The suggestion has been accepted, and suitable changes have been incorporated into the RfP.</p> <p>Drawing from our extensive experience with similar assignments across the country, we propose revising the bid evaluation criteria such that "Technical component will carry 80% weightage, and financial evaluation will carry 20% weightage."</p> <p>The Commission has adhered to similar criteria in past tenders, such as the one for preparing the GERC (Multi-Year Tariff) Regulations for the 4th Control Period. Moreover, the scope of work for this project includes assistance in drafting the MYT Tariff Orders, analysing the Fuel Utilisation Plan of Generating company, analysing the Resource Adequacy Plan of Distribution Licensees, determining the trajectories of various performance parameters, etc. which sets the framework for the next five years of the Control Period.</p> <p>Further, as per clause 3.9 of Manual for Procurement of Consultancy & Other Services published by Ministry of Finance (GoI), High complex/downstream consequences/specialised assignments must use QCBS with higher technical weightage of 80%. Accordingly, various tenders published by Commissions and utilities across India in recent years have been following the same Evaluation criteria of 80% weightage to the technical component and 20% to the financial component. Some of the examples are as follows:</p> <ol style="list-style-type: none"> 1) MSEETCL- Appointment of consultant for providing consultancy services in regulatory matters to state transmission utility (80:20)

Suitable changes have been incorporated into the RFP.</p> <p>Accordingly, we request GERC to kindly specify additional details / breakup for technical marking criteria to make it more objective and transparent.</p> <p>The Commission may consider adding the following criteria below table:</p> <p>“The consultant's relevant experience for the assignment- 35 Marks</p>

IST</p>
8.	11. The final bids complete in all respect are required to be submitted latest by, on or before 20/11/2024, up to 1800 hours IST.	GERC may consider extending the submission deadline by at least 15 days following the publication of responses to the pre-bid queries. This shall allow sufficient time for the consultants to review the responses, secure required approvals, and prepare a well-informed and thorough proposal.	<p>The agreement document contains standard clauses that do not require modification. Additionally, they align with previous RfPs issued.</p>
9.	Limitation of Liability is not documented	GERC is requested to limit consultant's liability to 1X of the total contract value. This is as per GFR and the guidelines issued by MeitY. It is also the normal industry practice. GERC may consider including the following language:	<p>"GERC agrees that Consultants total liability for all claims connected with the services or this agreement (including but not limited to negligence), whether in contract, tort, statute, indemnities or otherwise, is limited to one time the professional fees paid / payable for the services. GERC agrees that Consultant will not be liable for (i) loss or corruption of data from your systems, (ii) loss of profit, goodwill, business opportunity, anticipated savings or benefits or (iii) indirect or consequential loss."</p>
10.	AGREEMENT 8) Any information of confidential nature, which comes to the knowledge or into the possession of the Consultant or of any of its employees by virtue of the engagement subject matter of this contract; shall not be disclosed by the Consultant or its employees to any person in any manner. Any breach of this clause without prejudice to any other action that may be initiated according to	1) GERC is requested to allow standard exceptions to confidential information, which is industry standard and reasonable. Not all information can be regarded as confidential. For e.g., if the information is in public domain, we cannot be expected to keep it confidential at our end. Similarly, if any information is liable to be disclosed under the RTI, giving it a confidential status and obliging us to keep such information confidential is not correct. We request inclusion of following clause:	<p>The agreement document consists of standard clauses, and therefore, no changes are necessary.</p> <p>"Confidential information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is independently developed by the recipient without use of or</p>

However, to the extent legally permissible, we will ensure that even if the information is disclosed to any third party, such parties maintain confidentiality of such information. GERC is therefore requested to kindly include the following clause:</p>	<p>"Consultant may disclose confidential information: (a) to its employees, directors, officers and subcontractors, on a need to know basis, as required for performance of services, provided such employees, directors, officers and subcontractors are bound by confidentiality obligations; (b) where required by applicable law or regulation or for regulatory and compliance (both internal and external) purposes."</p> <p>1) To uphold the principles of natural justice, we request GERC to notify us and give us a rectification period of at least 30 days, prior to invoking this clause.</p> <p>2) Further, to uphold the principles of natural justice and to bring parity in the contract, we request GERC to give us the right to terminate the contract in case client breaches any of its material obligations under the contract, provided a notice for such breach is given to client along with a rectification period of 30 days.</p> <p>GERC is therefore requested to kindly include the following clause:</p> <p>"1.) The Commission has the authority to foreclose, terminate or cancel the engagement of the Consultant without assigning any reasons. In such cases party of the first part (Consultant) shall be paid remuneration after taking into consideration the portion of work completed prior to such foreclosure, termination or cancellation of the engagement as may be decided by the Commission, and the decision of the Commission shall be conclusive and binding. The remuneration so fixed and paid shall be deemed to be the final payment in such case.</p> <p>The standard clauses in the agreement cannot be modified.</p> <p>"1.) The Commission has the authority to foreclose, terminate, or cancel the Consultant's engagement. Should this occur, the Consultant will be notified and given a minimum rectification period of 30 days. The Consultant (party of the first part) will be compensated for the portion of work completed up to the point of foreclosure, termination, or cancellation, as assessed by the Commission. The Commission's determination of the remuneration will be final and binding, and the payment made will be regarded as the final settlement. Similarly, the Consultant has the right to terminate the contract if the GERC fails to fulfill any of its significant obligations under the contract, provided the Consultant issues a notice of breach and a rectification period of 30 days is allowed."</p>

14.	Pre-existing IPRs	<p>There are innumerable IPRs that exist with us which we would like to use to your benefit while delivering our services to you. These are our pre-existing IPRs and we use it for all clients. We will not be able to give ownership in such IPRs to GERc just because we are using them for providing services to GERc, like we use these for other clients. We request that we are allowed to retain ownership of our pre-existing IPRs, else we might not be able to use these in providing services to GERc in order to protect our ownership in them. We request GERc to kindly include the below clause. This is also the standard mentioned by MeITY in its guidelines.</p>	<p>No modifications are needed in the current agreement document regarding this matter.</p> <p>"Notwithstanding anything to the contrary in this agreement, Consultant will retain the ownership of its pre-existing intellectual property rights (including any enhancement or modification thereto) even if such IPRs are used for creating deliverables, are incorporated in the deliverables, etc. To the extent such pre-existing IPRs are included/incorporated in the deliverables, upon receipt of all due and payable payment in full, the Consultant shall grant a non-exclusive, perpetual and fully paid up license to the Purchaser/Client to use such pre-existing IPRs for use of deliverables for the purpose for which such deliverables are meant for client's internal business operations."</p>

15.	--	We would request GERC to allow us to propose incorporation of standard legal terms and conditions of the contract based on discussion and negotiations during the contracting stage. We propose that the draft contract agreement may be accordingly reviewed jointly and the suggestions on legal terms and conditions based on our standard terms of business (like on overall liability cap, arbitration, indemnity, confidentiality etc.) may be considered during the contracting stage.	No modifications are needed in the current agreement document regarding this matter.
16.	AGREEMENT Clause 12 at pg. no. 31 12) In case of any differences or disputes between the parties arising out of this AGREEMENT, the same shall be referred to arbitration by a person nominated by the Commission. The proceedings shall be subject to the Arbitration and Conciliation Act 1996, as amended from time to time.	In order to uphold the principles of natural justice (Nemo judex in causa sua- no one should be judge in ones own case) and the provisions of the Arbitration and Conciliation Act, we request that the arbitrator(s) be appointed with mutual consent of both the parties. Alternatively, a panel of three arbitrators may be set up in which one arbitrator is appointed by Consultant, one by the client and the two arbitrators appoint third arbitrator. Please confirm.	The agreement document has standard clauses and hence cannot be changed.
